

Monthly Report

Service Hours

Please record service hours. Remember, at least 5 hours are required each month.

What did you do?	Date	Hours	Supervisor Signature

- If I don't know what you mean by what you write in "What did you do" you need to explain better. I will understand things like "rummage sale," but not "boy scouts" or "school volunteering." I need to know what you did, with whom, and how it counts as service.
- Please record whole and half hours. No quarter hours and definitely not five minutes. And please don't round. 20 minutes is not half an hour.
- Please do at least half of your hours within the church.
